Subject: FW: Indirects Question

Hi Mark,

See the link Joe provided indicating the current indirect rate of 51.25%

Hi Joe,

I hate to bother you but Karren is out of the office today. I sent Scott several documents (see attached) regarding EPA indirect rates. He was wondering if we have anything that shows our indirect rates as being 51.25%. I don't believe I've seen any documents from HQs showing each regional office's indirect rates.

Just checking.

Thanks,
Sharon

Thanks Sharon,

Sorry to be difficult but can one of you point to where it states our indirect rate is 51.25%? The memo you provided lists a provisional rate of 39.77%. One of our PRPs on the Columbia Falls Aluminum Plant site is asking for it.

Thanks,

Scott Wilder

Scott, these are what I sent to CBS for the Eagle Mine Site. I believe they are the most current ones, correct Karren?

Hi Karren,

One of our Lowry PRPs is requesting information on our current indirects.
Do we have a document that I could provide to him?

Thanks,
Sharon
